

PETITION TO IMPROVE THE PUBLIC PLAYGROUND AT THE SCHROON LAKE TOWN BEACH

We, the undersigned, do hereby support the SCHROON LAKE PLAYGROUND PROJECT and urge the Town Board to vote YES! on allowing the project to be completed, as per the recommendations of the playground committee.

We understand that the project will be funded through grant money (which has already been awarded); through local businesses that have indicated they are willing to donate towards this worthy endeavor; and through fund raising efforts to take place only after the Town Board has approved this project.
